24 October 2008 - For immediate release

SOLD OUT – YORK MAZE FIREWORKS TICKETS

Tickets for the York Maze Fireworks Spectacular on 5th November, York's only major fireworks display, have all been snapped up less than three weeks after going on sale.

The Visit York Visitor Information Centres, who have been managing ticket sales on behalf of York Maze, say they have been inundated with telephone bookings and people calling in person.

Tom Pearcy, owner of York Maze says, "Demand for tickets has been very high, I honestly didn't think we'd sell out quite so quickly. As this is the first time we have put on a fireworks event, we wanted to be able to manage numbers to ensure everyone has a great night out.

"The message now is if you haven't already got a ticket, I'm sorry but they are sold out. The event is pre-booked tickets only, there will be no tickets for sale on the door so please don't come down on Bonfire night hoping to get in. Car parking is reserved for ticket holders only."

The 2500 people who have managed to get tickets, will be treated to a spectacular fireworks display choreographed to a pre-recorded music soundtrack featuring hit songs from Yorkshire bands including the Kaiser Chiefs and York band Shed Seven.
