YORK MAZE FIREWORKS TICKETS GO ON SALE

Tickets for York's only major public Fireworks event, the York Maze Fireworks Spectacular have gone on sale exclusively for visitors to this summer's York Maze.

Following the success of York Maze's first Fireworks event last year, which was a complete sell-out, York Maze owner Tom Percy is planning to go one better with an even bigger Fireworks to music show planned for Thursday November 5th 2009.

Says Tom Percy, "Last year was the first time we had staged a fireworks event so we planned carefully, made it a ticket only event and kept a tight limit on numbers. It all ran smoothly, which has given us the confidence to run the event again this year.

"This year's fireworks show will be even bigger and better. We will open earlier in the afternoon to spread arrival times and will have more entertainment, side-shows and food stalls. We will be spending more on fireworks and finishing the evening with a live band and bar to stagger departure times."

"There was a high demand for tickets last year and we sold out quite quickly. Unfortunately some people were unable to get tickets. As a thank you to our regular York Maze visitors we have decided to put tickets on sale early this year exclusively for visitors to the maze."

Anyone visiting York Maze this summer before it closes on 6 September will be able to buy tickets for the Fireworks Spectacular in person from the Ivy Store Gift Shop. Fireworks tickets cost £10.00 for adults and £7.50 for children.
